

# Kairos Roxbury Correctional

## Institution RCI #20

Sept 19 – 22, 2019

This is an EXTREMELY moving time for the inside participants. Many of them feel that they have been cast off by society and abandoned by family. They even feel completely separated from God. To realize that people care enough to take the time to pray for them is a strong indication that they are not alone and that God has not forgotten them.

### What should I pray for during my 30 minutes?

- Pray for the residents, that God will work within them to enable them to understand that He is the God of mercy and forgiveness.
- Pray for a hedge of protection over the entire event, that the evil one does not cause any distraction or disruption to the weekend.
- Pray for the Prison Administration.
- Pray for the Corrections Officers that they are fair and just in their enforcement of the rules governing the prison and that they too are blessed by this weekend.
- Pray for the Kairos Ministry Team; not only for their safety, but also that they may be effective in serving the Lord, that each yields himself to God’s purpose.
- Pray for the Team Leader Tommy Spencer, that he will lead with God's wisdom and that God will protect him.
- Pray for the Kairos Ministry as we prepare to bring God’s message into other facilities in Maryland.
- Pray for the safety of those inside prison walls that they may not be persecuted for their faith in Jesus Christ or that God gives them the strength to bear it.

### Where do I go and how do I pray?

Anywhere you are when your chosen time comes, you do not need to *go* anywhere to participate. Some people prefer to pray in a room by themselves and others like to pray in groups. Some people pray out loud, while others pray silently. Some people sit and read their Bible while others sing their favorite hymns or songs of praise. Many pray silently while doing tasks, chores or work. Some people prefer to read scripted prayers from a devotional book, while others prefer to converse with God as though He is sitting right there with them.
